

## Poster Making Competition

A poster making competition is being organized by the Legal Aid Clinic, University Institute of Legal Studies, Panjab University held here today on the topic of 'Child Rights'. The event saw immense participation from various all the years of the department, in which the participants made impressive and magnificent posters dwelling on various aspects of child abuse and child empowerment prevalent in our society. The posters, conveyed and expressed the message of child empowerment in best spirits and served the purpose of the competition fully well. Director Dr. Ratan Singh gave the opening message of the competition and emphasized on the need of child empowerment. The competition is being adjudged by the teacher coordinators of the Legal Aid Clinic, Dr. Amita Verma and Dr. Karan Jwanda inspired the participants with their enlightening words and praised the creative and diligent efforts of the students.

The evil of Child Abuse is a massive deterrent to the development of the society and is gravely affecting the future of our country. The legal aid clinic is celebrating the session 2018-19 as the 'Year of Child Rights' and is taking up various dedicated endeavors to spread awareness and enlighten the public about child rights.
