

Plantation Drive at PU by AIHC&A and Gandhian Studies

The department of AIHC&A with the department of Horticulture led a plantation drive in the campus around AIHC&A museum. Professor Nahar, DSW, faculty, staff and students of the department participated and planted ornamental plants. Students of the department took pledge that they will take care of the plants and water them also. Our visually impaired student Miss Gagandeep Kaur showed keen interest in the drive and planted a sapling. We sincerely thank Mr Anil Thakur and his team for providing us all help and support.
