

Swachhta Drive at Department of Biophysics

The Department of Biophysics organized a Swachhta Drive on 29th August, 2018. Under this drive mass cleaning of department premises was undertaken by the faculty, non-teaching staff and students.

- Windows panes and windows were cleaned.
- Cob webs were removed
- All teaching & research laboratories were cleaned.
- Lecture halls were cleaned.
- Special emphasis was paid towards the cleaning of toilets.
- The department animal house was thoroughly cleaned.

In addition to this, plantation drive was also carried out with the help of Department of Horticulture, Panjab University, Chandigarh.
